Re: Fabrik Property Group

I am a property solicitor and have acted for Fabrik Property Group for 5 years now in respect of their property related transactions. Instructed initially whilst I was employed by Painters Solicitors and now whilst I am employed by Martin Kaye LLP. As part of their professional team, Fabrik provide a steady stream of property related instructions to this firm.

Fabrik have strategically built up their business from when I first started to act for them to become a successful property investment company, advising UK and foreign clients alike. They are a professional and pro-active firm seeking to provide an exceptional service to their clients.
